[Episode 21: 12-year-old Asher Talks About His Life as a Homeschooled Kid](#)

In this special kid's POV edition of the TiLT Parenting Podcast, 12-year-old Asher and his mom Debbie take listeners behind-the-scenes of their homeschool.

[Episode 42: An Intimate Conversation with Debbie About Making the Choice to Homeschool Asher](#)

In this special solocast, I share my personal story of why I was so reluctant to homeschool Asher and what brought me to a point where I ultimately decided to give it a try.

[Episode 48: A Conversation with Debbie About Surviving the First Year of Homeschooling](#)

In this special solocast, I talk about my experience during our first transition year from traditional education to homeschooling, and share the strategies that helped me get through it.

[Episode 50: Why Homeschooling Can Be a Great Fit for Gifted Children](#)

Author Celi Trepanier of the Gifted Homeschooler's Forum talks about why the needs of gifted children are often not met in traditional education, and explains why homeschooling can be a great solution.

[Episode 72: A Conversation with Debbie About Her Homeschooling Curriculum and Schedule](#)

In this special solocast, part 3 in my homeschooling series, I share my best curriculum resources by subject and explain how we structure our daily school schedule.

What Should We Be Doing, Anyway?

[Episode 83: A Conversation with Melissa Wardy About Raising Anxious Kids](#)

Author Melissa Wardy shares her personal story of discovering her children's anxiety disorder and adapting her life to support who they are.

[Episode 146: A Conversation About Unschooling with Self-Directed Learning Advocate Blake Boles](#)

Author, speaker, and self-directed learning advocate Blake Boles (Unschooler Adventures) talks about the benefits of letting kids be in charge of their own educational journey.

[Episode 169: Colleen Kessler and Homeschooling Gifted Children](#)

Author, speaker, and podcaster Colleen Kessler (Raising Lifelong Learners) talks about how to approach homeschooling gifted and twice-exceptional children.

[Episode 209: Blake Boles Asks Why Are You Still Sending Your Kids to School?](#)

Author, speaker, and self-directed learning advocate Blake Boles talks about unschooling in the time of Covid-19 and his new book, "Why Are You Still Sending Your Kids to School."
